## Summer School

### **EUSPACE - European Union in Space: Law and Technology** *Imperia Campus of Genoa University, 9-13 July 2018*

The EUSPACE Summer School is a **multi-disciplinary project** financed by the European Union, Erasmus Plus Jean Monnet Programme, that aims at giving an **analysis of the current main legal and technical issues** related to the intervention of the European Union in space. This year the main topic will be “*Cybersecurity and space assets*”.

The **venue** will be the town of Imperia, located on Italy’s north-western coast, easily reachable via Genoa or Nice airports and home to a University Campus where the event will take place from **9th July to 13th July 2018**.

The initiative aims to attract **researchers and young professionals in law, political science and engineering**, as well as **doctoral and post doctoral** students dealing with the space sector. Precisely the participation is opened to **students who have attended at least a three years’ study university course** in the above-mentioned topics.

Students who will attend at least 80% of the lessons will be provided with an **attendance certificate** by the organisation. Moreover, within the programme a **Workshop** involving the active participation of students is forecast in order to stimulate their knowledge of the topic.

The **speakers** will be academics from the University of Genoa and other universities as well as operators in the field of space industries and institutions. Particularly relevant is the participation of representatives of the European Space Agency and the Italian Space Agency.

Here below some of the speakers who already confirmed their participation to the initiative:

Maria Elena De Maestri –University of Genoa; Mario Marchese –University of Genoa, Chiara Cellerino, University of Genoa, Ugo Pagallo – University of Turin, Marco Pedrazzi – University of Milan, Marco Ferrazzani – ESA; Ilaria Zilioli – ESA, Augusto Cramarossa – ASI; Carlo Golda – Lawyer, COPUOS, Giuseppe M Pennisi – Marina IT; Francesco Amicucci – Thales Alenia Space; Frans Von der Dunk University of Nebraska-Lincoln;

The participation to the summer school **does not request the payment of a fee**, although the cost for the accommodation is totally upon the participants.

**Registration** to the summer school however is needed, by proper registration on the website [www.eu-space.eu](http://www.eu-space.eu), before **June 3rd**.
