Summer School

EUSPACE - European Union in Space: Law and Technology

University of Genoa, Via Balbi 5, GENOA
1-5 July 2019

The EUSPACE Summer School is a **multi-disciplinary project** financed by the European Union, Erasmus Plus Jean Monnet Programme, that aims at giving an **analysis of the current main legal and technical issues** related to the intervention of the European Union in space. This year the main topic will be “*International Cooperation as Key Principle in Space Activities*”.

The **venue** will be the University of Genoa, located in the centre of the Ligurian main city, in Via Balbi, Palazzo Universitario and Albergo dei Poveri. The event will take place from **1st July to 5th July 2019**.

The initiative aims to attract **researchers** and **young professionals in law, political science and engineering**, as well as **doctoral** and **post doctoral** students dealing with the space sector. Precisely the participation is opened to **students who have attended at least a three years’ study university course** in the above-mentioned topics.

Students who will attend at least 80% of the lessons will be provided with an **attendance certificate** by the organisation. University of Genoa recognises 6 extra-curricular CFU for the participation of its law students. Moreover, within the programme a **Workshop** involving the active participation of students is forecast in order to stimulate their knowledge of the topic.

The **speakers** will be academics from the University of Genoa and other universities as well as operators in the field of space industries and institutions. Particularly relevant is the participation of representatives of the European Space Agency and the Italian Space Agency.

Here below some of the speakers who already confirmed their participation to the initiative:

Maria Elena De Maestri –University of Genoa; Mario Marchese –University of Genoa, Francesco Munari – University of Genoa; Chiara Cellerino, University of Genoa, Sergio Marchisio – University of Rome, ECSL; Stefano Saluzzo – University of Turin, Marco Pedrazzi – University of Milan, Marco Ferrazzani – ESA; Ilaria Zilioli – ESA, Carlo Golda – Lawyer, COPUOS, Francesco Amicucci – Thales Alenia Space

The participation to the summer school **does not request the payment of a fee**, although the cost for the accommodation is totally upon the participants.

Registration to the summer school however is needed, by proper registration on the website www.eu-space.eu, before **June 14th**.
